- ◆ The customer logo appearing on this report has been supplied to Eurofins by the customer. Eurofins is an independent laboratory and our relationship with this customer is to provide analytical testing services.
- This report applies exclusively to the samples provided by the Customer and does not represent the entire lot or batch from which the samples were drawn. This document may only be reproduced in full. Partial reproduction is not permitted without prior written approval from Eurofins.
- Tests are identified by a unique five-digit code; detailed descriptions are available upon request. Accreditation applies only to the specific tests listed in this report and does not extend to comments, interpretations, or graphical representations.
- Eurofins may subcontract part or all of the services to an approved third party. The Customer authorises the release of all necessary information for this purpose. All samples become the property of Eurofins to the extent necessary for service delivery. Eurofins is not obliged to store samples and may dispose of them after analysis unless storage has been agreed upon in writing. If storage is arranged, Eurofins will take commercially reasonable steps to maintain samples for the agreed period. The Customer is solely responsible for the sampling process and warrants that samples provided are representative of the lot or batch. Eurofins accepts no liability regarding the Customer's production process or sample homogeneity. Where Eurofins provides sampling services, IANZ-approved methodologies and/or best practices are used; however, Eurofins shall not be liable if the collected sample is not representative of the source or if the Customer's instructions to Eurofins are followed and require testing of part of the sample only or testing of a certain type.
- Services are provided using current technology and standard methods applied by Eurofins. Eurofins exercises reasonable care in performing services but does not guarantee fitness for any specific purpose.
- This report is based on information, documents, and/or samples provided by or on behalf of the Customer and is intended solely for the Customer's use. It is the responsibility of the Customer to advise any person to whom the Customer provides this report that Eurofins has no liability to that person for their reliance on this report. Eurofins, its employees, agents, or subcontractors shall not be liable for actions taken based on this report or for incorrect results arising from unclear, erroneous, incomplete, or misleading information provided by the Customer. Eurofins shall have no liability for indirect or consequential losses, including but not limited to loss of production, contracts, profits, business interruption, goodwill, or product recall costs. Eurofins General Terms and Conditions apply.
- Unless otherwise stated, all tests (except subcontracted tests) are performed at 35 O'Rorke Road, Penrose, Auckland, NEW ZEALAND.
